

**WELCOME
AND ENJOY YOUR MEAL!**

THE RESTAURANT

A place, just made to enjoy every single comfort in life.

Where your view can wander into the distance to admire the wonderful nature.

Where the food tastes even better under the bright blue sky.

A place, where the traditional food of South Tyrol meets Italy's most famous dishes.

Celebrate the taste of Italy in our beloved restaurant, whether you're a guest of ours or just a drop-in.

With the rich breakfast buffet for sleepy heads and early birds.

With a little snack from the à la carte menu in the afternoon.

With a freshly baked apple pie and a mug of cappuccino in your hand.

And let's not forget the tasty appetizers our chef prepares in the evening

before we all sit down to enjoy our 5 course meal on the piazza

where we have a panoramic view of the nearest mountains

and can take pleasure from the small things in life.
